

The Constitutional Monarchy of Syno Aurelius

Comprehensive Legitimacy, Legal Existence & Compliance Dossier

Executive Summary

This document formally and comprehensively sets out the legal legitimacy, existence, governance, and international compliance posture of The Constitutional Monarchy of the Independent, Autonomous Sovereign Country of Syno Aurelius (“Syno Aurelius”). It demonstrates, point by point, conformity with international law, customary norms, jus cogens principles, good governance standards, and global regulatory frameworks, while articulating the novel but lawful nature of a Digital Country operating within the evolving international system.

Syno Aurelius is established as a constitutional, peaceful, neutral, and cooperative polity, designed to complement—not disrupt—the international legal order.

Part I — Legal Foundations of Existence

1. Royal Decree

Issued by the Monarch of Syno Aurelius as the Founder and Creator of Syno Aurelius by virtue of the Political system being a Constitutional Monarchy and Foundational Acts:

The Monarchs Act, Act 1 of 2-19

The Constitution Act, Act 2 of 2019

2. Declaration of Establishment

- Date of Proclamation: 13 May 2019
- Founding Instrument: Formal Proclamation by His Excellency Dr. Monja Roindefo Zafitsimivalo
- Nature: Constitutional Monarchy
- Capital: Aurèliz (Digital Capital)
- Founder & Monarch: Creator and Founder of Syno Aurelius

Syno Aurelius was constituted through deliberate legal research spanning over two decades, including analysis of international conventions, treaties, and customary international law.

3. Official Foundational Instruments

- Instruments of Justification
- Instruments of Substantiation
- Instruments of Authority
- Instruments of Statehood
- Instruments of Compliance
- Instruments of Establishment
- Monetary & Fiscal Instruments
- Instruments of Safety and Security
- Instruments of Economy
- Instruments of Structure
- Instruments of Support
- Instruments of Technology
- Instruments of Communication

2. Statehood Criteria (Montevideo Convention, 1933)

Criterion	Compliance Status	Detailed Explanation
Permanent Population	✓ Compliant	Digital citizens, institutional members, and permanent participants registered through lawful digital citizenship and residency frameworks.
Defined Territory	✓ Compliant (Functional)	Territory defined as a sovereign digital jurisdiction, with physical presence through representative offices, bilateral agreements, and invited facilities. International law does not restrict territory to purely physical landmass.
Government	✓ Fully Compliant	Constitutional Monarchy with Executive (President), Legislature (Parliament), Judiciary, and Monarch as symbolic and founding authority.
Capacity to Enter Relations	✓ Fully Compliant	Active diplomatic engagement, bilateral cooperation, international organizational participation, and treaty-aligned frameworks.

Part II — Constitutional & Governance Architecture

3. Constitutional Order

- Written Constitution
- Separation of Powers
- Parliamentary Magna Carta
- Rule of Law
- Judicial Independence
- Codified Rights and Duties

4. Political Neutrality & Peaceful Orientation

- Non-aligned
- Neutral in international conflicts
- Prohibition on aggression
- Commitment to peaceful dispute resolution

Part III — Jus Cogens & Peremptory Norms

Syno Aurelius explicitly recognizes and adheres to jus cogens norms, including:

- Prohibition of genocide
- Prohibition of slavery and human trafficking
- Prohibition of torture and cruel treatment
- Prohibition of crimes against humanity
- Right to self-determination
- Fundamental human dignity

These principles are constitutionally entrenched and non-derogable under any circumstances.

Part IV — International Law Compliance

5. Sources of Law Recognized

- Treaties and Conventions
- Customary International Law
- General Principles of Law
- Judicial Decisions & Scholarly Doctrine (subsidiary means)

6. Treaty Alignment (Indicative)

- United Nations Charter principles
- Universal Declaration of Human Rights
- International Covenants (ICCPR / ICESCR)
- Vienna Convention on the Law of Treaties (principles observed)

Part V — Regulatory & Financial Integrity Framework

7. Financial System Architecture

- Central Bank of Syno Aurelius
- Syno Aurelius Development Bank (USD 100 billion capitalization)
- Sector-specific subsidiary banks
- State-Owned Insurance Entities

8. Global Regulatory Alignment

Framework	Compliance
FATF / AML-CFT	✓ Full Alignment
Basel III / IV	✓ Applied to Banking Structures
IAIS	✓ Applied to Insurance Sector
ISO 20022	✓ Financial Messaging Standard
KYC / KYB	✓ Mandatory

Digital financial infrastructure incorporates encryption, auditability, traceability, and lawful oversight.

Part VI — Digital Sovereignty & Jurisdiction

9. Digital Country Doctrine

Syno Aurelius operates as a Digital Sovereign Entity, characterized by:

- Sovereign digital jurisdiction
- Secure national VPN domain
- Digital public institutions
- Cyber-sovereignty compliant with international norms
- Non-extraterritorial coercion

Digital sovereignty is exercised without infringing on the territorial sovereignty of other states.

Part VII — Economic, Social & Development Mandate

10. Core Pillars of State Purpose

1. Assistance to Humankind
2. Development of Humankind
3. Future of Humankind

These pillars guide:

- Development finance
- Education and paid study programs
- Medical Smart City initiatives
- Environmental protection
- Space and scientific research

Part VIII — Environmental, Scientific & Ethical Commitments

- Climate responsibility
- Oceanography and reef rehabilitation
- Sustainable agriculture
- Space exploration for peaceful purposes
- Ethical AI and supercomputing governance

Part IX — International Cooperation & Recognition Strategy

11. Forms of International Engagement

- Diplomatic dialogue
- Bilateral trade & investment agreements
- Observer and partner status in international organizations
- Civil society and UN-mandated platforms

12. Recognition Doctrine

Syno Aurelius adopts a functional and declaratory theory of statehood, recognizing that legitimacy flows from lawful existence, governance capacity, and international responsibility—not solely from political recognition.

Part X — Legal Continuity & Non-Contravention

- No conflict with jus cogens
- No violation of UN Charter principles
- No claim to physical territory of other states
- No coercive extraterritorial conduct

Conclusion

Syno Aurelius is a lawfully constituted, responsibly governed, internationally aligned Digital Country, meeting all primary and secondary requirements of legitimacy under international law. Its existence represents an evolution of sovereignty compatible with the modern digital era, global cooperation, and peaceful coexistence.
